### IMPORTANT DOCUMENTS TO KEEP CLOSE IN CASE OF EMERGENCY

It's important to have certain important documents together and convenient if an emergency occurs and it's necessary to evacuate. Below is a list of suggested important documents you may want to have ready, whether hard copies or electronic copies:

- Birth certificates, Social Security cards, and passports or visas
- Home, car, and health insurance cards and documents
- Driver's licenses or other backup ID
- Tax records and employment records
- Wills, powers of attorney, and medical history
- Military and VA records
- Marriage licenses and other licenses such as concealed carry permits
- Veterinarian records for your pets, which would be necessary for boarding
- A video record of everything in your home, all rooms, garage contents, closets and basement or attic contents, either on your phone or on a USB drive

Thanks to the South Broadway Neighborhood Association for compiling this list.

### NEXTDOOR

The City of Albuquerque encourages neighbors to join Nextdoor.com. Nextdoor.com is private social network that allows people within specific geographical areas to share information. There are pros and cons for using Nextdoor.com which the CABQ lists at the following link: [Using Nextdoor - Helpful Tips and Suggestions for Neighborhood Associations — City of Albuquerque](#) EPNA will utilize the Nextdoor.com platform, among others, to stay in touch. Click on this link for view the EPNA page - [Nextdoor](#)

### BE PART OF THE SOLUTION

Concerns regarding owners and their dogs' use of Ross Enchanted Park continue to be voiced to the EPNA Board of Directors. The EPNA Board of Directors cannot override the City of Albuquerque's ordinances regarding leash laws. The Board suggests that concerned neighbors form a discussion group who could help guide solutions to this issue. If that interests you, please let us know and we would be happy to help get a discussion group started.
